

ITMATT Must be Submitted When Sending Mail Overseas

1. Senders must submit electronic customs information (ITMATT) when sending mail containing goods (including ordinary packet, registered packet, ePacket, Parcel and EMS) to EU countries, the United States, Hong Kong, Japan, UK, Switzerland, Norway, Canada, Australia, New Zealand, Korea(Rep.), Indonesia, Malaysia, Brazil, Jordan, South Africa, India, Belarus and Mongolia.
2. Before posting, please use the EZPost online posting platform to make your shipping label, so that we can submit ITMATT to the destination country.
