The Taichung MRT formally opened on April 25, 2021. Its green line opened first, connecting the city's high-speed rail and traditional rail (Taiwan Railways Administration) stations. The system has made transportation in the city even more convenient and is helping to spur development opportunities. To mark the occasion, Chunghwa Post has specially issued a souvenir sheet that includes two stamps. Suiting the topic of the MRT's launch, the outside edge of the sheet resembles the streamlined shape of the front car of an MRT train. The marginal inscription features a simple line-draft illustration, which creates a visual effect that is at once refreshing, streamlined, and modern, echoing the light, simple, and open style of the MRT station. The designs of the stamps follow:

1. HSR Taichung Station (NT\$15): Its curved and linear elements convey a sense of the meetings and continuous movement flows facilitated by a station that brings together high-speed rail, traditional rail, and local mass rapid transit, thereby demonstrating the vitality of urban development.
2. Taichung City Hall Station (NT\$35): The design emphasizes smooth curves, conveying a sense of the air currents created by a train in motion.

Following the “Auspicious Ox Postage Label” issued in 2021 Chunghwa Post has issued a “Lucky Tiger Postage Label.” This postage label employs paper cuttings to depict the composed and radiant air of a tiger. The majestic and imposing manner of tiger symbolizes optimism, aggressiveness and good fortune. Auspicious patterns are decorated at its background to suggest peace during all four seasons and a bountiful harvest for the coming year. On the lower left corner of each label is a serial number with three English letters (which signify the roll number) and four Arabic numerals. There is a total of 600 rolls with 1,000 labels each.

A folio with two styles (from which, 6,000 copies with denominations printed in red while 2,000 copies black) is released along with the postage label. Each folio includes one each in NT\$9, NT\$13, NT\$15 and NT\$17 denominations of the label, a set of two stamps and a souvenir sheet of “New Year's Greeting Postage Stamps (Issue of 2021)” and a specimen label.

The postage label will be available on April 21, 2022 in postage label vending machines at the Postal Museum and the following branches: Keelung Aisan Rd., Taipei Beimen, Taipei Railway Station, Taipei Daan, Neihu, Neihu Bihu, Nangang, Banqiao Guoqing, Xindian, Zhonghe, Sanxia, Shulin, Sanchong Zhongshan Rd., Tamsui, Tamkang University, Xinzhuang, Fu Jen Catholic University, Linkou, Taoyuan Chenggong Rd., Zhongli, Zhongli Neili, Longtan, Yangmei, Hsinchu Wuchang St., Hsinchu Science Park, Xipu, Zhubei, Zhudong, Miaoli Zhongmiao, Yuanli, Taichung Minqyuan Rd., Taichung Yingcai, Tanzi, Changhua Zhongyang Rd., Lugang, Yuanlin, Douliou Xiping Rd., Chiayi Yushan, Tainan Chenggong Rd., Xinxing, Zuoying, Kaohsiung Railway Station Front, Xiaogang, Kaohsiung Xijia, Fongshan, Gangshan, Pingtung Minsheng Rd., Yilan Zhongshan Rd., Hualien Guoan and Taitung Datong Rd.
