Cute Pets Postage Stamps

Pet dogs and cats are so much loved by their owners that they become treated as members of the family and called “fur babies.” In 2024 Chunghwa Post held a competition inviting owners to take shots of their pets, with the ten deemed the cutest to be turned into a set of stamps with denominations of NT\$8. To add to philatelists’ fun and to the convenience of the general stamp-using public, these stamps will be released as one souvenir sheet and a sheetlet of 50 self-adhesive stamps on September 9, 2025.

The stamps feature British Shorthairs, French Bulldogs, Shiba Inus, Pomeranians, Ragdolls, Shetland Sheepdogs, Border Collies and Welsh Corgis. They are such cute pets, so adorable and lively.

The stamps were designed by Delta Design Corporation and printed in color offset by Cartor Security Printing (France). A first-day cover, folders with and without mounts, a maximum card and a loose-leaf album page to be sold on September 5, 2025. A pre-cancelled FDC with the full set of stamps will go on sale on September 9, 2025, the date of issuance of the stamps. For further information, please refer to the upcoming *Philatelic Bulletin* or *Postal Service Today*.
