1. Emergency Situation Surcharge may apply to outbound airmail due to soaring freight rate caused by emergency situations (e.g. infectious disease epidemic/pandemic). The rates card will be updated monthly.
2. Applicable mail types: Airmail items (including letter-post items, ePackets, parcels and EMS) and S.A.L. parcels (Canada and USA).
3. Rate calculation: "Weight per item" multiplied by "Rate per kilogram", rounded to the nearest whole number.
4. Discounts are not applicable to Emergency Situation Surcharge.
5. Please contact local post offices or check out our official website for more information regarding countries/regions where international airmail can be sent and received (<http://www.post.gov.tw>).
